

Citizens Gas \$400 Furnace Rebate Form

This certificate entitles you to receive a \$400 credit to your gas account from Citizens Gas when replacing an electric, oil or propane furnace with natural gas.

If you are a current* Citizens Gas customer

- Replace your current electric, oil or propane heating system with a natural gas furnace.
- Fill out this form completely and legibly.
- **Send this form, along with copies of receipts for the purchase and installation of your natural gas furnace to:**

Rebate Coordinator
Citizens Gas
2020 North Meridian Street
Indianapolis, Indiana 46202

- Your gas account will be credited within 30 to 60 days after we receive your completed request, assuming all rebate guidelines are met.

Rebate Guidelines

- Rebate is valid only for **existing single-family homes** currently hooked up to Citizens Gas' lines, and only when converting the heating system from another fuel to natural gas. This rebate does not apply to new homes or rental equipment. All conversions must comply with local building codes.
- **Natural gas must be the sole or primary heating fuel** after the conversion. If you are switching from an electric heat pump to a gas furnace, make sure your heating contractor reverses the system so that the heat pump will operate for **COOLING ONLY**—so you'll be warm and comfortable during the heating season and so that you'll qualify for the \$400 rebate.
- Furnace rebate is **non-transferrable**.
- Citizens Gas reserves the right to inspect and verify any and all furnace installations to ensure compliance with this rebate offer. Citizens Gas reserves the right to suspend this program at any time. If you have questions, or would like more information, please call 927-4328.

*Please Note: "current Citizens Gas customer" means that you already have another natural gas appliance in your home prior to installing a natural gas heating system.

Read all of the details carefully to make sure you qualify before completing this form.
