Terms and Conditions

General Eligibility: For a current list of qualifying equipment, visit CitizensEnergySavers.com or call 1-800-203-1856. This offer provides rebates for the purchase of new, installed qualifying products and/or services and is not dependent on the purchase of any other product or service unless indicated. Offer valid for Citizens Gas natural gas residential customers only (Rate D1 and D2). The rebates on this form are available for single family homes and multifamily buildings with a maximum of 12 units in a Development and all units must be individually metered. One form must be completed for each address in which appliance(s)/ product(s) is installed. Citizens Gas rebates cannot exceed the cost of the equipment or service. This is the Residential Rebate Form and should not be used by new home builders who are applying for the ENERGY STAR Home Rebate. Applicants switching from another fuel source to natural gas are not eligible for rebates.

Verification: Citizens Gas reserves the right to verify sales receipts and/or installations of products and services before issuing rebates. A random inspection may be conducted to verify installations.

Program Modifications: Citizens Gas reserves the right to alter or discontinue these rebate offers at any time without notice. Rebate funds are limited and are available on a first-come, first-served basis.

Disclaimer: Citizens Gas does not guarantee that energy efficiency measures purchased and installed or services provided through this program will result in energy and costs savings. Citizens Gas reserves the right to deny or limit any rebate request. In addition, no warranties on product or service installations are provided by Citizens Gas, nor does the program warranty, guarantee or endorse the energy efficiency services provided by any specific contractor participating in the program. Please allow up to eight (8) weeks to receive your rebate.

Eligibility Dates: All forms must be postmarked within 60 days of purchase to be considered eligible for rebates. Citizens Gas reserves the right to alter or discontinue this program or related rebates at any time without notice.

Contractor Instructions

Verify that customer's natural gas utility at the installation address is Citizens Gas.

High Efficiency Natural Gas Furnace and/or Water Heater: Installers are required to implement the following measures to qualify furnace and/or water heater installations for rebates:

Chimney liners must be installed where atmospherically-drafted equipment remains in the residence. Installers must complete flue closure protocol where a high efficiency furnace and/or water heater is installed and the chimney has no other use; where the water heater is power vented through the sidewall or is fueled by electricity (refer to flue closure protocol); The furnace must be a sealed combustion unit with combustion air supply provided from outside the home to reduce whole-house air infiltration.

Tax Info for 1099 Forms

Taxes: Incentives (residential applicants excluded) are taxable and if greater than \$600 will be reported to the IRS unless you are exempt. Citizens Gas will report your rebate as income to you on IRS Form 1099 unless you have checked corporation or exempt status on this form. You are urged to consult your tax advisor concerning the taxability of rebates. Citizens Gas is not responsible for any taxes that may be imposed on your business as a result of your receipt of this rebate.

This form has no cash value. **Please retain a copy for your records.**
