If replacing an existing appliance, please provide the age and brand, if known.

Appliance: _____ Model: _____ Year: _____

This completed form and a copy of the invoice(s) must be provided to receive a rebate(s). I certify that I have purchased the product(s) indicated on this form, and the unit(s) was installed at the address indicated. **I understand that random inspections may be conducted to verify installation according to the terms and conditions.** I have read and understand the general eligibility, terms and conditions associated with this program. I am providing the requested information solely to be eligible to participate in this program and request that the personal information supplied by me be treated as confidential to the maximum extent possible. I acknowledge and agree that Citizens Gas is not warranting any equipment, nor will it be liable for any personal injury or property damage caused by the equipment.

Customer's Signature: _____ Date: _____

Terms and Conditions

General Eligibility: For a current list of qualifying equipment, visit www.CitizensEnergySavers.com or call 1-800-203-1856. This offer provides rebates for the purchase of new, installed qualifying products and/or services, and is not dependent on the purchase of any other product or service unless indicated. Offer valid for Citizens Gas natural gas residential customers only (Rate D1 and D2). The rebates on this form are available for duplexes, single family homes and townhomes of up to six (6) attached units only. Multi-family rental units are excluded. One form must be completed for each address in which appliance(s)/ product(s) is installed. Citizens Gas rebates cannot exceed the cost of the equipment or service.

Verification: Citizens Gas reserves the right to verify sales receipts and/or installations of products and services before issuing rebates. A random inspection may be conducted to verify installations.

Program Modifications: Citizens Gas reserves the right to alter or discontinue these rebate offers at any time without notice. Rebate funds are limited and are available on a first-come, first-served basis.

Disclaimer: Citizens Gas does not guarantee that energy efficiency measures purchased and installed or services provided through this program will result in energy and costs savings. Citizens Gas reserves the right to deny or limit any rebate request. In addition, no warranties on product or service installations are provided by Citizens Gas, nor does the program warranty, guarantee or endorse the energy efficiency services provided by any specific contractor participating in the program. Please allow up to eight (8) weeks to receive your rebate.

Eligibility Dates: All forms must be postmarked within 30 days of purchase to be considered eligible for rebates. Citizens Gas reserves the right to alter or discontinue this program or related rebates at any time without notice.

Contractor Instructions

Verify that customer's natural gas utility at the installation address is Citizens Gas.

High Efficiency Natural Gas Furnace and/or Water Heater: Installers are required to implement the following measures to qualify furnace and/or water heater installations for rebates:

Chimney liners must be installed where atmospherically-drafted equipment remains in the residence. Installers must complete flue closure protocol where a high efficiency furnace and/or water heater is installed and the chimney has no other use; where the water heater is power vented through the sidewall or is fueled by electricity (refer to flue closure protocol); The furnace must be a sealed combustion unit with combustion air supply provided from outside the home to reduce whole-house air infiltration.

Tax Info for 1099 Forms

Taxes: Incentives (residential applicants excluded) are taxable and if greater than \$600 will be reported to the IRS unless you are exempt. Citizens Gas will report your rebate as income to you on IRS form 1099 unless you have checked corporation or exempt status on this form. You are urged to consult your tax advisor concerning the taxability of rebates. Citizens Gas is not responsible for any taxes that may be imposed on your business as a result of your receipt of this rebate.

Terms for Adoption of ENERGY STAR Standards

1. Builder must submit a copy of an authorized ENERGY STAR new home energy rating certificate from an authorized ENERGY STAR provider/rater.
2. Home must have HERS rating of 85 or less for ENERGY STAR.
3. Home must attain a HERS Index rating <70 for ENERGY STAR Plus.
4. Home must utilize natural gas for all water and space heating needs.
5. Natural gas furnace must be minimum 92% AFUE.
6. Natural gas storage tank water heater must be 0.62 EF or higher.
7. Natural gas tankless water heater must be 0.82 EF or higher.
8. Please note there is a maximum of 15 ENERGY STAR home rebates per builder per calendar year.
9. ENERGY STAR and ENERGY STAR Plus are open to owner occupied attached units up to six (6) units per building.
10. Builder must meet all HERS Requirements to meet the Federal Tax Credit for new homes, when applicable.

This form has no cash value. **Please retain a copy for your records.**
