Helping the Less Fortunate

In 1994, Citizens Gas established the Warm Heart Warm Home Foundation™ to assist families and individuals who are faced with financial hardships. With higher natural gas prices expected to increase heating bills this winter, Citizens Gas is encouraging customers to join us in helping customers in need. In fact, we'll match donations up to \$50,000 to our Warm Heart Warm Home Foundation™. Your donations are tax deductible and all contributions will go directly to customers in need. If you have questions about the program, call 924-3311.

Please detach the slip at the bottom of this form and mail it along with your donation to:

Warm Heart Warm Home Foundation™
2020 North Meridian Street
Indianapolis, Indiana 46202

Checks can be made payable to the Warm Heart Warm Home Foundation™.
